Mr. Morton Abramowitz, Director

Dear Morton:

I should like to express my appreciation to you and to all your people who were involved in the preparation of the Congressional Justification Books for the Consolidated FY 1986 NFIP Budget. I should particularly like to thank Ed Blevins for his efforts which enabled us to develop a well-structured State Justification Book.

The outstanding cooperation of your people in their participation with the Intelligence Community Staff was a major factor in meeting the Congressional submission date.

Sincerely,
